

The National Religious Coalition on Creation Care

Announcing!

The 20th Annual

National Prayer Breakfast on Creation Care

Featuring presentations on what religious organizations are doing to address global climate change

YOU are INVITED !

Monday, May 6, 2019

When: 9:45 AM, Monday Morning

Where: The Willard Hotel, Main Ball Room
1401 Pennsylvania Avenue, Washington DC

Theme: Climate Change, Forests and Spiritual Values

Join us for this gathering from across the religious spectrum

We need you! God's world needs you!

During this special prayer breakfast, we will:

- Pray for the health and healing of God's creation
- Encourage the religious community in its emphasis on creation care as an essential element of faith
- Hear how religious groups are addressing climate change

Keynote Speaker: Dr. Chad Hanson

“The Role of Forests in Addressing Climate change”

Steward of Creation *Dr. Katharine Hayhoe*

2019 awardees: *Rev. Dr. Gerald Durley*

Rev. Dr. Jim Antal

Plus comments from each awardee

Special Music and Singing by Opera Singer Teresa Eichel (not yet confirmed)

A Donation for Breakfast Costs will be taken at the Door

or

Register on-line at the address below (preferable to guarantee seating)

Every major religious group that has studied climate change has concluded that the issue is urgent, that immediate measures are required to reduce fossil fuel emissions, that climate change is a moral issue, and that society must switch to clean, alternative energies as rapidly as possible

*“The Earth is God’s and all that is in it;
Thou shall not destroy the earth,
nor despoil the life thereon.”*

- The Ethic of Jewish and Christian Creation Care

By METRO, take the RED Line to Metro Center, or the ORANGE/BLUE Line to Metro Center

Before and After the Prayer Breakfast

We'll have a long list of interesting meetings
from Sunday evening through Wednesday into Thursday

- **Meet with new legislators on the urgency of climate change**
- **Special Sunday evening dinner with presentation on forests and religion by Dr. Matthew Sleeth, MD**
- **Visit elected officials who do not yet support climate action**
- **Discuss with Administration officials the moral and ethical principles involved with addressing climate change**
- **Time for discussion and conversation and friendship**
